INTRODUCTION

Janki Dass Rice Mills

a pioneering name in the rice industry with a legacy that spans several decades. Established in 1986 by Krishan Chand Singla, our journey began with a profound commitment to excellence and a deep-rooted passion for rice. Inspired by the ideals of our founder and named in honor of his father, Sh. Janki Dass, we have grown to become a symbol of trust and quality in the world of rice.

What started as a small endeavor in the 1980s has flourished into a formidable rice company with three state-of-the-art production units. Under the able

leadership of our esteemed directors, Mr. Ravinder Singla, Mr. Rajesh Singla, and Mr. Devinder Singla, we have solidified our position as an industry leader.

At JDRM, we take immense pride in offering a diverse range of premium basmati and non-basmati rice, meticulously sourced and processed to retain their natural flavors and nutritional goodness. Our rice has garnered immense love from customers across 45+ countries, transcending boundaries and enriching culinary experiences globally.

VISION

"We envision a world where Basmati Rice is cherished and trusted in every corner of the globe."

MISSION

To produce and promote our premium Basmati Rice products globally, upholding our founder's legacy of excellence and trust.

Founder
Sh. Krishan Chand Singla

OUR JOURNEY

1972

In the vibrant landscape of the rice industry, our founder Krishan Chand Singla's journey began in the 1970's. With determination and unwavering dedication, he toiled to establish his mark and gain invaluable experience in this flourishing domain.

1986

In 1986, Krishan Chand Singla founded JDRM as a tribute to his father Sh. Janki Dass. Our company's legacy is deeply rooted in the values and principles instilled by our founder and his vision for excellence. This story is one of love, respect and a commitment to uphold the legacy of Sh. Janki Dass

2000

By the dawn of the millennium JDRM was flourishing as a prominent player, gaining widespread recognition for our exceptional rice quality. Embracing a global vision, we ventured into international market, exporting our finest rice to multiple countries across the world.

2010

Janki Dass Rice Mills had grown into a formidable force in the rice industry, achieving remarkable milestones under the visionary leadership of its directors; Mr. Ravinder Singla, Mr. Rajesh Singla and Mr. Devinder Singla. The organisation fostered the culture of innovation and continuous improvement and expanded its operations to encompass three state-of-the-art production units.

2020

By the year 2020, JDRM had transcended borders and expanded its global footprint across 30 countries worldwide. Our rice had become a beloved choice for customers from diverse cultures and regions, winning hearts with its exceptional taste, quality and reliability.

OUR PROCESS

JDRM believes in offering its consumers the best because they deserve it. This is reflected in the sourcing process of Paddy, its selection, the manufacturing process, packaging and finally the distribution of the final product.

To ensure the qualitative delivery of the product all other operations such as: packing, stuffing, fumigations are carried out in house before exports, to maintain quality. Hygiene standards are followed from production till packaging.

Sustainable farming

Environmental Impact

Global Regulations

Our pesticide residue-free basmati rice boasts exceptional qualities over conventional rice. With a focus on health, it offers a safer option, free from harmful chemicals. Its superior flavor, texture, and aroma enhance culinary experiences.

Embracing sustainable practices, we partner with farmers at the grassroots level, fostering awareness and implementing pesticide-free plantations. This approach yields not only environmental benefits but also ensures the long-term viability of agricultural lands.

Our rice's traceability aligns with global regulations and underscores our commitment to quality.

PRIVATE LABELS: COMPLETE SOLUTION

We specialize in offering comprehensive solutions to our valued clients for their Private Labels. With our extensive experience and expertise in the industry, we take pride in assisting businesses to create and develop their own unique brands.

Our dedicated team is committed to providing end-to-end services that encompass everything from product sourcing and packaging design to quality assurance, ensuring that your Private Label products meet the highest standards.

Partner with us to bring your brand vision to life with our tailored solutions.
